

WINNING MINDSET

If you think you are beaten, you are;
If you think you dare not, you don't;
If you'd like to win, but think you can't
It's almost a cinch you won't;
If you think you lose, you've lost;
For out in the world we find
Success begins with a fellow's will;
It's all in the state of mind

For many races are lost before ever a step was run
And many a coward fails before his work begun
Think big and your deeds will grow;
Think small and you will fall behind
It's all in the state of mind

If you think you're outclassed, you are;
You've got to think high to rise
You've got to be sure of yourself before
You can ever win a prize

Life's battles don't always go
To the stronger or faster man;
But sooner or later the man who wins
Is the one who thinks he can
It's all in the STATE OF MIND!

“If you've got what it takes,
It might take everything you've got!”
